

Eagles' Wings Stable, Inc.

Your contributions definitely keep our students in the saddle – 50 percent of our income comes from donors like you. The rest of our income comes from student fees – 25 percent and the remaining 25 percent from fund raisers. We are good stewards of the dollars we receive. 85 percent of our expenditures go for program services – keeping students riding and only 15 percent of dollars spent goes for administrative costs.
